

OPERATION: LEADERSHIP EXPLOSION 2016

\$99* Start Up Fee!

LegalShield is headed to a new stratosphere in 2016...the next 12 months are about all-out, massive recruiting! There's never been a better time to start your own business or grow your existing organization to new heights!

New associates will launch their LegalShield business with a **digital starter kit** and be motivated and energized to work their businesses with the new **20/20/20 Associate Onboarding Program** (starts in mid-January!). Top field leaders and corporate executives will share valuable insights, motivation, tips and strategies to help those new in the business get started and work towards Fast Start Qualification. The new laser focused 20/20/20 Associate Onboarding Program will **lead** your new associate's activities through the first 20 minutes, 20 hours, 20 days of launching their LegalShield business.

Then, as their business expands and grows, new associates will receive **Builder Kits** as they move from Associate to Senior Associate and, again, when they advance from Senior Associate to Manager. These new kits are packed with the materials and information needed to help the associate level advance and set off a chain reaction of personal and team growth.

And that's not all we are doing to help associates achieve success, for **only \$19.95 a month** (\$20.95 if paying with credit card), associates will have access to numerous benefits with **LegalShield Advantage**, our program that helps you *treat your business like a business*. With technology that helps new associates build smartly and wisely; that gives you the tools you need

to market the membership and the opportunity; and follow-up and manage leads!

Have you been looking for the perfect opportunity to turn up the heat and massively grow your business? If so, that time is right now and this is your opportunity. Pick up your phone, get on social media, log into email, visit with prospects to share a 3rd party tool to expose at least five people to the opportunity right now. Don't wait or leave it to later. Use this incredibly low \$99 Start Up Fee right now to work towards and achieve the results you want for your LegalShield business today!

* A \$249 Start Up fee is also available, if preferred, and includes 12 months of LegalShield Advantage.
